Captain Active Visit

Captain Active will visit the school from 9.30am to 10.30am tomorrow to share his healthy eating and active lifestyle message. There is no charge for this presentation.

The Captain Active Awesome Active Adventure Stage Show will take the audience on a one hour, super entertaining and healthy educational adventure from Activeland to Australia via his fruit and veggie rocket. He'll then go hiking over hills, scampering through dark tunnels, jumping over raging rivers and riding along roads to arrive in the town of the performance, on his mission to overcome the evil and unhealthy habits of his arch nemesis Lazy Cray Cray!

The show includes:

- Audience participation in fun games on stage that are integrated into the adventure story
- Full audience activities to get everyone laughing and being active in their place
- Lots of healthy eating and lifestyle messages (kids won't even realise they're learning)
- Super catchy songs that'll get the toes tapping and stuck in your head
- A lot of energy that will entertain and inspire everyone to be active, just like Captain Active
- A ridiculous amount of fun that families and kids of all ages will absolutely love
