Our School Review

Our school is scheduled for a school review on 18 and 19 May. The Department of Education and Training regularly reviews Queensland state schools to ensure they are delivering quality education to students. The reviews are conducted by the department's School Improvement Unit.

The review does not rate or compare schools, but provides teachers and other staff with independent feedback to help them continue to improve learning outcomes for students.

All schools have a review at least every four years. Key findings from the review will be made available to parents and the community on the school website.

The review team would like to hear from our school community and I encourage anyone who is interested to have their say. Your feedback is important and will help us continue to deliver a great education for students.

Feedback can be provided to the review team by phone or in person. All feedback is confidential.

Please contact the school office if you are interested in speaking to a reviewer. Alternatively, you can register your interest by emailing SIUMB@det.qld.gov.au

More information about the review process is available from the department's website www.schoolreviews.eq.edu.au

NAPLAN Tests – 9 to 11 May

Students in Years 3 and 5 will participate in the annual National Assessment Program – Literacy and Numeracy (NAPLAN) testing to assess their skills and understanding in the areas of reading, writing, language conventions (spelling, grammar and punctuation) and numeracy next week. The tests will be conducted in all state and non-state schools across the country from 9 - 11 May 2017. NAPLAN assesses the skills that students develop over time through the school curriculum, and provides additional feedback for parents, carers and teachers on how students are progressing in the key curriculum areas.

An individual NAPLAN report will be sent home for every child later this year. Further information is available on the

[ACARA website](#). If you have any questions or concerns about your child participating in NAPLAN testing, please contact the school.
